*****

I have the honour to invite a reference to your endorsement No.5838, dated the 27th of September 1910, in which it was indicated that "The Combined Post and Telegraph Office at Fern Hill is to be kept open during the season at Ootacamund which may be taken to be from about the beginning of April to the middle of October" and to say that the entry "Open from April to October" was accordingly made against the name of this office in the January 1911 edition of the Indian Telegraph Guide. The Postal authorities now report that the --- office is kept open for 3½ months in the year which period -- they say has been fixed at the request of the Superintendent, Fern Hill Palace, who wrote to the Superintendent of Post -- Offices in March 1909 that His Highness the Maharaja generally stayed at Fern Hill from the middle of March to the end of May and asked that the office be kept open from the 1st of March to the middle of June of every year.

2. In the circumstances, I would request the favour of your kindly letting me know at an early date the actual period for which the combined office at Fern Hill is to remain open in the year.
